

BioReference: North Carolina's Premier Full Service Laboratory

BioReference Laboratories, a wholly owned subsidiary of OPKO Health, Inc., is the third largest clinical laboratory in the United States, offering a comprehensive list of laboratory testing services utilized by healthcare providers in the detection, diagnosis, evaluation, monitoring and treatment of diseases. The BioReference family of laboratories includes GenPath, a nationwide Oncology and Women's Health specialty laboratory; GeneDx, a world renown genetics laboratory specializing in rare and inherited disorders; and Laboratorio Buena Salud, the first national laboratory dedicated exclusively to serving Spanish-speaking providers and patients.

Since its founding in 1981, BioReference has grown behind its core mission of providing the highest quality diagnostic services to each patient. No other laboratory matches our routine clinical testing capabilities and breadth of genomic testing in various markets including oncology, women's health and genetics.

The benefits of BioReference for physicians and patients in North Carolina:

- Dedicated Account Representatives attuned to your specific needs
