Join us for an event in your community!
COVID-19 ANTIBODY TESTING

Interested in COVID-19 antibody testing?

- Visit your community event with an order from your healthcare provider and get tested today!

- Bring your health insurance and valid ID and we'll take care of the rest.

- No insurance? We offer a discounted self-pay option as well, and accept all major credit cards, personal check, and/or your HSA/FSA card.

Interested in testing, but don't have an order? You have options!

- If you are 18 years of age or older, you can request the test through an independent physician service.

- Simply visit **bit.ly/mylabology** to determine if this test is right for you.

- Once your test request through my•labology is approved by an independent physician, you will receive an email link to make an appointment at this community event.

If you are interested in testing for your minor child, please contact your healthcare provider who can better determine if COVID-19 antibody screening is right for them. Minors are not eligible for testing through my•labology but are welcome at all community events with a valid order from their healthcare provider.
