

BioReference: Alabama's Premier Full Service Laboratory

BioReference Laboratories, Inc., a wholly owned subsidiary of OPKO Health Inc., is the largest full service specialty laboratory in the United States that gives healthcare providers and patients the information to make confident healthcare decisions. With a focus on genetics, oncology, urology and women's health, BioReference offers comprehensive test solutions and unparalleled expertise based on a 40 year legacy of proven science. The company serves approximately 19 million patients annually, operates a network of 10 laboratory locations, and is backed by a medical staff of more than 300 M.D., D.O., Ph.D., genetic counselors and other professional clinical and scientific personnel. With a national footprint and niche market experience, BioReference provides reliable, convenient and innovative diagnostic solutions tailored to the specific needs of healthcare providers, patients and organizations.

The benefits of BioReference for physicians and patients in Alabama:

- Dedicated Account Representatives attuned to healthcare provider's specific needs
- One lab to handle all testing needs, from routine to esoteric
- Multi-lingual Patient education materials
- Local service backed by national resources
- Regional courier dispatch service to manage specimen pickup
- An in-home, fully integrated digital platform providing access to on-demand specimen collection services (Scarlet)

In addition, BioReference offers state-of-the-art connectivity solutions including:

- Ability to interface with all EMRs
- Convenient electronic test ordering
- Prompt and easy retrieval of test results
- Cumulative patient history
- Laboratory analytics to help manage patient care
